Aguirre, Jhon Ahrbie, Panuncio, John Kenneth "Emotional Intelligence and Personality Traits of Filipino Seafarers and their Attitude Towards Work Environment" Unpublished Research, Senior High School, John B. Lacson Foundation Maritime University, March 2019.

Abstract

The study examined the relationship between the attitude of seafarers towards work environment and their emotional intelligence as well as personality traits. The specific questions asked in the study were as follows. This study is focused mainly on the Emotional Intelligence and Personality Traits of Filipino Seafarers and their Attitude Towards Work Environment in JBLFMU-Molo. This study will base on the respondents of Senior High School in John B. Lacson Foundation Maritime University-Molo. A survey method was used to investigate this if there is effect in the Personality Traits and Emotional Intelligence, the research design was a combination of comparison of frequencies data and its percentage with the several other factors of questions.
