DECK THE WINDOWS

Why relegate green garlands to the holiday season—or even to banisters and mantels?! Take a cue from Amanda Campbell, founder of the design blog *The Ginger Home*, and use them to spruce up your home year-round. “I’m always sad when it’s time to take garlands down after winter,” she says. “So this year, I hung a fresh one over the window in our mudroom to create a dreamy, garden-style reading nook.
