

GEOGRAPHY AND TOURISM MARKETING

A silhouette of an airplane wing is shown against a sunset sky. The sky transitions from a deep blue at the top to a bright orange and yellow at the bottom, where the sun is setting. The wing is dark and extends from the left side of the frame towards the right.

Contents

<i>Preface</i>	v
1. Tourism as a Geographical Phenomenon	1
Review of the Literature	2
Tourism as a World Phenomenon	4
Tourism in Central America	5
Tourism in Honduras	8
Specific Aims of the Study and Methodology	10
Location and Size of the Bay Islands	11
Marine Environment	14
Utila's Cultural History	18
Pre-Columbian Inhabitants	18
Christopher Columbus and the Encomenderos	20
Buccaneering, Early English Inhabitants, and the Garífuna	21
Antillean Populations	24
Twentieth Century Utila	25
Social Stratification	25
Geographical Boundaries	27
Economic History of Utila as a Precursor to Tourism	29
Pre-Columbian Economy	29
The Remittance Period	34
Tourism Development on Utila	36
Sea, Sun and Drugs: Factors that Attract Tourists to Utila	40

Emergence of the Present Tourism Industry	43
New Trends in Development	47
Development on the Utila Cays	50
2. The Challenges to Sustainability in Island Tourism	52
Introduction	52
Types of Island Tourism Destinations	52
Sustainability Issues Facing Island Destinations	54
Economic Issues	55
Environmental Issues	56
Socio-Cultural Issues	56
Approaches to Overcome the Challenges to Island Tourism	56
Environmental Management	58
Knowledge and Information Systems	59
Accessibility and Transportation	60
Marketing and Market Diversification	61
Understanding Tourist Beaches as Eco-social Landscapes	62
Alternative Paradigms for Managing Tourism Environments	64
New Conceptual Tools	68
Recommendations	74
3. Climate Change Threatens Island Tourism	79
Adaptation Challenges and Costs	79
Tourism, a Double-edged Sword	80
Policy Responses	81
From Vulnerability to Resilience	82
Globalisation and Tourism: Deadly Mix for Indigenous Peoples	83
Tourism as Export Strategy	84
Threat to Indigenous Peoples	85
Achieve Tourism Sustainability in Mediterranean Islands	90
Integration of RETs in Mediterranean Islands	92
Results-Discussion	98

4. Island Tourism Development	102
Introduction	102
Tourism	102
Importance of Sustainable Development	103
Economic Constraints	103
Environmental Constraints	103
Socio-cultural Constraints	104
Destination Life Cycle	104
Challenge to Island Destinations	106
Market Analysis	107
Product Analysis	108
Role of Planning and Public Policy	108
5. Nature Based Tourism in the World	110
Introduction	110
Economic Squeeze or Prosperity Ian Yeoman	112
Is it all About Oil?	112
Scenario One – The Best Case	114
Scenario Two – Middle Class Squeeze	115
Concluding Remarks	116
Materials and Methods	122
Heritage and Nature-Based Tourism in the Northern Forest Region	123
Employment	125
Tourism Markets	126
6. Maine Nature-Based Tourism	133
Background	133
Project Goals	133
Vision	134
Nature Based Tourism In India	136
Tourism with a Difference	136
Forms of Ecotourism in India	136
Tourism in India	137

Tourism by State	137
Places to Visit	139
Historic Monuments	149
Wildlife in India	150
Remote Sensing and GIS Based Ecotourism Planning: A Case Study for Western Midnapore, West Bengal, India	152
Generation of The Ecotourism Potential Map	158
Result and Discussion	159
Planning for Ecotourism Infrastructure in the Study Area..	160
7. Economic Perspectives on Nature Tourism	163
Introduction	163
Economic Analysis of Nature Tourism	166
What Has Nature Tourism's Economic	168
