II. Course Contents

- Course Title:** 21st Century Literatures from the Philippines and the World
- Course Description:** This literature course aims to engage students in critical study and appreciation of 21st Century literatures from Philippines and the World encompassing their various dimensions, genres, elements, structures, context and traditions.
- Learning Tasks/Objectives/Aims:** At the end of the term/semester, the senior high school student is able to:
 - Affective** – appreciate one's literary heritage by showing eagerness and an interest to further read fiction, poetry, essay and drama.
 - Cognitive** – identify the genres, elements, and themes of various literary compositions; and analyze literary texts that manifest the writer's visions of life and craft by relating them to their personal socio cultural registers of being Asian, Anglo-American, European, Latin American and African.
 - Psychomotor** – demonstrate their understanding of the breadth and depth of Philippine and World literatures through a critique paper (fiction, essay, poetry and drama as performance).
