# TABLE OF CONTENTS

Preface . . . . .	ix
Acknowledgments . . . . .	xi
<b>Chapter 1: Introduction to Information and Communications Technology (ICT)</b> . . . . .	<b>1</b>
Opening Activity . . . . .	2
Key Terms . . . . .	2
Information and Communications Technology: An Overview . . . . .	6
IT versus ICT . . . . .	8
Evolution of Technology . . . . .	10
History of Computer . . . . .	13
Components of a Computer . . . . .	17
Why Computers are Powerful. . . . .	22
Classifying Computers . . . . .	23
Digital Age, Information Age, and Computer Age . . . . .	26
Media in the Digital Age . . . . .	26
Evolution of Media . . . . .	29
Overview of Current Trends . . . . .	32
Impact of ICT on Individuals, Organizations, and Society. . . . .	35
Ethical Issues in ICT . . . . .	38
Chapter Key Points . . . . .	39
Checkpoint . . . . .	40
Tasks. . . . .	42
References . . . . .	43
<b>Chapter 2: Computers in Our Daily Life.</b> . . . . .	<b>45</b>
Opening Activity . . . . .	46
Key Terms . . . . .	47
How Computers Work . . . . .	50

How Computers Interpret Data . . . . .	51
How Computers Communicate with One Another . . . . .	56
How Computers Connect to Other Computers . . . . .	59
How Humans Communicate with Computers . . . . .	63
How Computers Impact Everyday Life . . . . .	69
Chapter Key Points . . . . .	73
Checkpoint . . . . .	74
Tasks . . . . .	77
References . . . . .	78
<b>Chapter 3: The Internet and World Wide Web . . . . .</b>	<b>79</b>
Opening Activity . . . . .	80
Key Terms . . . . .	80
The Internet . . . . .	84
Jobs the Internet Can Do . . . . .	89
How Data Travels the Internet . . . . .	89
What Computers Do on the Internet . . . . .	92
The World Wide Web . . . . .	93
Chapter Key Points . . . . .	97
Checkpoint . . . . .	97
Tasks . . . . .	99
References . . . . .	105
<b>Chapter 4: Information, Control, and Privacy . . . . .</b>	<b>107</b>
Opening Activity . . . . .	108
Key Terms . . . . .	109
Introduction to Resources . . . . .	111
Information as a Resource . . . . .	113
Information Economics . . . . .	121
Information Overload . . . . .	123
Information Control . . . . .	129
Information Privacy . . . . .	140

Chapter Key Points . . . . .	145
Checkpoint . . . . .	146
Tasks. . . . .	148
References . . . . .	149
<b>Chapter 5: IT, Culture, and the Society. . . . .</b>	<b>153</b>
Opening Activity . . . . .	154
Key Terms . . . . .	154
The Impact of IT on the Society . . . . .	157
Internet of Things (IoT). . . . .	157
Automation . . . . .	161
The Influence of IT on Culture and Social Behavior . . . . .	166
Influence on Culture . . . . .	168
Influence on Social Behavior . . . . .	169
Chapter Key Points . . . . .	186
Checkpoint . . . . .	187
Tasks. . . . .	189
References . . . . .	189
<b>Chapter 6: IT Trends, Issues, and Challenges . . . . .</b>	<b>191</b>
Opening Activity . . . . .	192
Key Terms . . . . .	192
Trends . . . . .	194
Issues and Challenges . . . . .	211
Chapter Key Points . . . . .	219
Checkpoint . . . . .	220
Task . . . . .	221
References . . . . .	221
<b>Index. . . . .</b>	<b>225</b>
<b>The Authors</b>	

# INDEX

## A

### ACM
