Acknowledgement

After an intensive period of several period of several months, today is the day; writing the note of thanks is the finishing touch on our research project. It has been a period of intense learning for us, not only in the research paper, but also on a personal level. I would like to reflect on the people who have supported and helped us so much throughout this period.

We would like to thank to Dr. Elvira Delgado for guiding us, for sharing her valuable time and effort in checking the research project and for the admirable advice on technical matter and also for assessing us how to be a good researcher.

We would like to thank to Dr. Ruthieda V. Abong for guiding us and giving us some advices during our research defence.

We would like to thank the students of JBLFMU - Molo, who answered our questionnaires.

We would also like to thank our parents for their time, support, and effort and cooperation with this research project.

The Lord Almighty, for all the spiritual and material blessings and graces. He abundantly bestowed and for all things He made it possible.
