ABSTRACT

This research entitled: "PUTO WITH A TWIST," was constructed by the researchers for they wanted to know how puto can be in a good topping and flavors especially for those who loves to eat puto. And we want to know how puto made and how the people appreciated the puto with a twist or topping viand. Puto may be an obscene word in other languages but in Philippines it's a term for these innocents looking cute little steamed cake served as is, topped with cheese, topped with salted duck eggs or both. It can be served with butter or grated fresh coconut on the side and can be enjoyed anytime of the day.

ACKNOWLEDGEMENT

The compilation of this research paper was made possible by the help of the following person to whom the researchers wish to acknowledge with deepest and sincerest gratitude: first, I would like to thank Dr. Elvira C. Delgado the teacher of John B. Lacson Foundation Maritime University Molo, Inc. for her help, guidance and assistance to make this study successful and as a research adviser. And for my friends and classmates that made this research successful because of their everlasting support. And lastly, I would like to acknowledge with gratitude, the love and support of my family, they all kept me going, and this research would not be possible without them.

And above all, to the Lord Almighty for his help in giving the researcher enough strength, good health, courage, determination to make this research possible.

The Researchers:

JAN KENNETH VALENCIA

KLYDE TEMBER CABAobao
